Students help rebuild Minot school by walking

Sullivan Middle School students in Fargo embarked on the annual eighth-grade pilgrimage Sept. 23. They began their walk at Holy Spirit Church, stopping by each Catholic parish in Fargo, and ending the pilgrimage at Sullivan Middle School.

During the pilgrimage of more than 10 miles, the 75 eighth-graders prayed at each church for the citizens of Minot and the flood relief workers. Before the walk, they gathered donations - more than \$11,000 - from sponsors for their pilgrimage.

The money raised will go toward rebuilding Minot's Little Flower Catholic School, which was destroyed by flood waters.
