Celebrating 2000 Years of Christian History by Gloria Thomas and Warren Carroll High School
available from several distributors including this one

Beginning with the life of Jesus Christ, Catholic artist Gloria Thomas provides a century-by-century tour of the 2000 years of Christian history. The 21 beautiful 9"x18" paintings fold out to provide an overview of each century of the two millennia of history. Accompanying the individual art prints are historical articles summarizing the highlights of the century, written by Catholic historian, Dr. Warren Carroll. These articles are excellent overviews of each century of history from the first through the 20th, emphasizing the dominant saints of the period. This work of love, inspired by the Jubilee year 2000, is a testimony to God's presence in the Church and in the world throughout history. **Available in a 9x18 inch size for \$34.95 and a booklet size for \$4.95.**

Celebrating 2000 Years of Christian History by Gloria Thomas and Warren Carroll High School
available from several distributors including this one

Beginning with the life of Jesus Christ, Catholic artist Gloria Thomas provides a century-by-century tour of the 2000 years of Christian history. The 21 beautiful 9"x18" paintings fold out to provide an overview of each century of the two millennia of history. Accompanying the individual art prints are historical articles summarizing the highlights of the century, written by Catholic historian, Dr. Warren Carroll. These articles are excellent overviews of each century of history from the first through the 20th, emphasizing the dominant saints of the period. This work of love, inspired by the Jubilee year 2000, is a testimony to God's presence in the Church and in the world throughout history. **Available in a 9x18 inch size for \$34.95 and a booklet size for \$4.95.**
