

Religious Education Standards

General Standards for Grade 5

Draft – Summer 2017

August 1, 2017

Dear Catechist,

Three years ago, Bishop Folda requested that a committee be formed to evaluate and update standards for our Catholic schools and parish Religious Education programs. The result of this committee's work are standards for Kindergarten through eighth grade. At this time, the standards are drafts and will be a working document in the 2017-2018 school year.

There are two formats of the standards for each grade:

1. **General Standards:** This is a "master list" of all the aspects of the Faith which should be covered in each specific grade. Each grade is divided into the four pillars of the *Catechism of the Catholic Church*: Profession of Faith, Sacraments, Moral Life and Prayer.
2. **Standards Corresponding to Textbook:** This document shows where the General Standards are covered in the textbook. It lists each chapter of the textbook. This document will be more useful for teaching.

The standards were also used as part of the selection process of the textbook that was recommended to Bishop Folda.

The committee also suggested that the standards be a working tool for catechists, that is, not only insuring that the essential elements of the Faith are presented, but also as a way for catechists to share ideas with one another. The web page www.fargodiocese.org/curriculum has been created for this purpose. At the bottom of the page is the form "Submit an Activity or Idea". I encourage you to submit something to share with other catechists. Perhaps you have a great craft that works well with a lesson or some other activity that engages the children while helping to solidify what they just learned. I will use your ideas to build the sections in the standards entitled "Mission and Community" and "Teacher Notes". I will create links in these areas so that catechists will be able to see activities that others have submitted.

Finally, because the standards are a working document this year, I would like your feedback on how well they work in the classroom. Please send feedback to me, Mary Hanbury, 5201 Bishops Blvd, Suite A, Fargo, ND 58104 or email mary.hanbury@fargodiocese.org.

My hope is that these documents will be a great resource for you.

Peace in Christ,

Mary Hanbury
Director of Catechesis
